Commander Ramsey spent 26 years in the Royal Navy, three of which as the as captain of HMS Turbulent a Trafalgar CLASS submarine. He told Country Life of 5 ways to cope with lockdown 3 of which are:

**Routine:** Developing a routine however big or small is very important and do not forget to change it up at weekends.

**Take a break:** You need proper breaks from work, the news and everything else.

**Stay Connected:** Reach out to as many people as you can and you'll even meet new friends, albeit virtually.

**Know Your North Norfolk?** Where would you find the building and what was it originally used for?
