

# High Kelling Parish Chronicle

September 2022

Issue 21

An information newsletter by the High Kelling Parish Council and  
Trustees of the Village Hall for all villagers of  
High Kelling

*All correspondence to be sent to [highkellingchronicle@gmail.com](mailto:highkellingchronicle@gmail.com)*

*Printed by Cheverton Printers*

## Editorial Note

As we go to press, those long hot days of July and August are starting to fade and the days are growing increasingly shorter. We shall all soon be facing the reality of cooler temperatures and wondering just how much keeping warm is going to cost this winter. For some, as Fr Howard reminds us, that can present a stark choice between heating and eating, for which a Community Support Fund is being established by the Church, in partnership with others, to help those who find themselves struggling financially to pay their energy bills.

On the same theme, we have re-published the link set out in last month's Chronicle to the other avenues of financial and other support that may be available via the Norfolk Association of Local Councils, and a new link to information about a Discretionary Hardship and Support Grant being introduced by the District Council. Regrettably, in a paper publication, we can do little more than to signpost such information, but anyone having difficulty accessing it on-line should not hesitate to contact any of the Parish Councillors who will do their best to assist.

In this edition Cllr David Carter from the Parish Council, John Kellas-Kelly from the Village Hall and Fr Howard from the Parish of Holt with High Kelling give us their regular insights on matters administrative, social and spiritual. Cllr John Mangan brings us up to date with recent developments in the long-running wind turbine saga. (Clearly enough energy being expended there to power the odd wind turbine or two!) And resident Jane Fejer provides an evocative account of her early morning walks in the woodland adjoining High Kelling. Many thanks to all for their contributions.

Finally, as ever, do please send anything you wish to be considered for inclusion in the Chronicle to [highkellingchronicle@gmail.com](mailto:highkellingchronicle@gmail.com)

Cllr Duncan Henderson  
Compiler and editor

+++++

## Want to meet new friends and have fun while mastering a new skill in 2022?

Why not come along to High Kelling Village Hall and try your hand at Short Mat Bowls in a warm, friendly environment with refreshments provided? We are offering free afternoon taster sessions with expert tuition from experienced players. (Thursdays 1:15 to 3:15 and 3:30 to 5:30, and Sundays 1:30 to 3:30.) If you would like to find out more, contact **Lyn** on **01263 713898** or **Tony** on **01263 713119** and arrange a taster session.

## From your Parish Council

Your Parish Council hope you enjoyed the August issue which carried photos of the historic Queen's Platinum Jubilee celebrations. More, including a video of the events, can be found on the Parish Council web site, [www.highkellingpc.info](http://www.highkellingpc.info). Enquiries are being made to look into the viability of putting the video, etc on DVDs so that villagers can purchase a record of the events.

Cllr Duncan Henderson has taken on the responsibility of editing and arranging the printing and distribution of the Parish Chronicle, no mean feat. The Parish Council is currently continuing to publish it on a monthly basis, although the actual date you receive your copy may vary as the intention is to always bring you the most up to date information.

## Filling the current vacancy on the Parish Council

**The current vacancy on the Parish Council will be filled via co-option, with the appointed applicant serving as a High Kelling Parish Councillor until May 2023 when all Parish Councillor positions will be subject to the usual election process. If you wish to put yourself forward for the vacancy, please let the Parish Clerk have a brief letter (no more than one side A4) explaining why you wish to join the Council. You should include the qualities you will bring to the role, and experience of local government or other voluntary roles (if any). Adverts for this post will appear on the Parish Council's website and notice boards. Applicants will be invited to meet Parish Councillors for an informal interview. Appointment to the post will be at the Council Meeting on the 20<sup>th</sup> September 2022.**

**Applications should reach the Parish Clerk by Sunday 11<sup>th</sup> September 2022.**

**If you would like to find out more about the role please feel free to contact the Parish Clerk, Vice-Chair Gordon Lane or myself, details below.**

Recent comments on planning applications for developments in Avenue and Vale Roads have emphasised the very poor sight-lines for drivers exiting these roads onto the A148. A timely reminder to us all to take extra care and bring this to the attention of any visitors.

You can also get the most important news concerning the village via email by signing up with the Parish Clerk.

**The next meeting of your Parish Council is on Tuesday 20<sup>th</sup> September 2022 at 7pm. This meeting is open to the public. Let the Parish Clerk know beforehand if you have a confidential item you wish to raise; a Councillor can discuss this with you prior to the meeting if you wis**

## **Application to vary the Premises Licence at Voewood**

NNDC have received an application seeking to vary the current licence for weddings and events involving the sale of alcohol and playing of recorded and live music during the hours of 10am to 2am, Mondays to Sundays. The application can be viewed at the address below.

Any representations regarding this application need to reach the Licensing Section, NNDC Council Offices, Holt Road, Cromer NR27 9EN by **12 September 2022**.

If you want to make any representations they must be by this date and fall in line with one of the four licensable objections listed below:

- Prevention of crime and disorder
- Public Safety
- Prevention of public nuisance
- Protection of children from harm

## Offshore Wind Turbines – Recent Highlights

On the 19<sup>th</sup> July 2022 Cllr John Mangan reported to the Parish Council Meeting on two items which have dominated the news in recent weeks, as follows:

1. National Grid Electrical System Operator (NatGridESO) published its Holistic Network Design (HND) for the Offshore Transmission Network (OTN) on the 7<sup>th</sup> July. This much awaited document was intended to set out a national framework for offshore interconnections of all future windfarms all around the UK Mainland. In-work developments and those nearing Approval Application are not included as they are seen as too far down the line to change course, an assumption that we, the Alliance of North Norfolk Town and Parish Councils – the Norfolk Parish Movement – have long not accepted. As a result of this assumption, the whole of the East Anglian coastline was not considered in the HND, for which NatGridESO received a serious grilling at a Stakeholders' Webinar which took place on the 20<sup>th</sup> July. At that webinar the discussions flowed back and forth between the HND and the development discussed in the item below.
2. A lot of this new green energy being generated – or soon to be generated – around the coast of Norfolk is or will be piped underground to the main National Grid connection station south of Norwich. In fact, it isn't needed there but, instead, in and around London – and it has been realised that the existing (overland) transmission infrastructure to the South is not capable of handling all that additional power. National Grid is therefore now proposing to install additional new transmission lines, incongruously called the East Anglian Green project (EAG), supported by pylons, overland from Norwich all the way through Norfolk, Suffolk and Essex to the Thames Estuary at Tilbury. The OffSet Group of East Anglian MPs have been extremely vocal in their opposition to this proposal, asking why it has been presented as a “done deal” without any consultation within the open community and why open consideration was not given to running the cables offshore around the coast of East Anglia and up the Thames Estuary. Their Chairman, Sir Bernard Jenkin, secured a Parliamentary debate in Westminster Hall on the 19<sup>th</sup> July on the subject. We await any outcome and will continue to campaign for the OTN as the solution.

## Community Speed Watch seeks volunteers

The Norfolk Police supports local communities who want to have some influence over traffic speed on their patch. We have run a Community Speed Watch group in High Kelling for some years now. You may have seen us, when three residents stand beside the A148 in their hi-viz jackets, targeting speeding vehicles with a radar gun and noting down their registration numbers.

The details are sent to the police who, after confirming the details provided, send an advisory letter to each offender. During an hour's activity we commonly monitor between 800 to 1100 passing vehicles. More importantly, hopefully, they see us - creating a heightened awareness to the fact that they are passing through a residential area where a speed limit is in place that we expect to be observed.

Ideally we would undertake the Speed Watch at least once a week but it is increasingly difficult to do so with the limited number of volunteers we currently have to man the rota. Whilst we wouldn't claim that it's going to be the highlight of your week, it's not an onerous task - just one hour once in a while is all we're looking for.

If you are willing to join us, please get in touch with Robin Johnson on 01263 712490 or by email to [robert@robandjan.plu.com](mailto:robert@robandjan.plu.com).

We are organising this year's Macmillan Cancer Support Coffee Morning in the Village Hall on Friday 30<sup>th</sup> September from 10.00 to 12.00.

If anyone is prepared to make a cake or donate a raffle prize it will be **GREATLY** appreciated. Cakes can be delivered on the day itself, raffle prizes can be dropped off to me at 23 Avenue Road after 14<sup>th</sup> September please.

Thanking you all in advance and hope to see as many of you as possible on the day.

With thanks,

Lyn Morgan

## Help with the Cost of Living

The County Council has usefully published a summary of the main sources of financial and other support that people may be eligible to receive in these difficult times. Many are automatic for most households, whilst others are for people receiving certain means-tested benefits or involve making an application.

They include:

- Energy Bills Support Scheme
- Pensioner Cost of Living Payment
- Cost of Living Payment
- Disability Cost of Living Payment
- Council Tax Rebate

Information can be obtained from the Norfolk Association of Local Councils at:

<https://mailchi.mp/d655d7f40d13/help-with-cost-of-living?e=f1814899d6>

or, for those without internet access by telephoning 0344 800 8020 (for people of working age) or 0333 996 8333 (for those aged 65 and over).

The District Council has also introduced a Discretionary Hardship and Support Grant. Payments (in the form of either food or fuel vouchers, or the provision of white goods, furniture or minor repairs) will be made to help alleviate poverty, support vulnerable residents and help people through personal and difficult circumstances. The scheme will run for two years, with households able to receive two support payments each year.

Information about the scheme and how to apply is available at:

[https://modgov.north-norfolk.gov.uk/documents/s11588/4%20Appendix%20Discretionary%20Hardship%20Support%20Grant.pdf?fbclid=IwAR0xv\\_7vSoULTSaJjBqbgPj345UMJqZ69MKBaUW5Or7Nq6ZT71CGKD11SNk](https://modgov.north-norfolk.gov.uk/documents/s11588/4%20Appendix%20Discretionary%20Hardship%20Support%20Grant.pdf?fbclid=IwAR0xv_7vSoULTSaJjBqbgPj345UMJqZ69MKBaUW5Or7Nq6ZT71CGKD11SNk)

The Parish Council also intends to publish further information via:

- the High Kelling Parish Council Noticeboards
- the online version of the Chronicle on the Parish Council website [www.highkellingpc.info](http://www.highkellingpc.info)

## **News from Your Village Hall**

### **Road closure – Wednesday 7<sup>th</sup> to Saturday 10<sup>th</sup> September**

**The repair is upon us! The roadway immediately fronting the village hall will be impassable for 4 days commencing Wednesday 7<sup>th</sup> September.**

### **Maintenance and development**

The external redecoration of the hall has been carried out and it should stand the weathering for a good few years now. This work highlighted some further wood rot on one of the main support beams and we shall keep a watching brief on this to monitor for any signs of further deterioration.

### **Trustees and other voluntary positions**

Firstly, a very big thank you to Lyn and Andy Baguley who are stepping down as trustees this month. Over many years they've willingly given a huge amount of their time and energy to the successful running of your village hall, and they'll be sorely missed by the managing committee.

By the time you read this, the AGM will be upon us, or it will have already happened. At the time of writing, we had only one resident bravely stepping forward to offer her experience and expertise to a role as a trustee, so thank you and a warm welcome to Lynne Henderson!

From 1<sup>st</sup> September, Silvia Carter has kindly offered to take on the role of Bookings Secretary once again and we have, very gratefully, accepted. Silvia, who does not wish to become a trustee for a second time, has done the job brilliantly in the past so we know the role is in a safe pair of hands. Thank you Silvia.

To operate effectively and increase the social events calendar, we still need more volunteers as trustees or, like Silvia, simply willing to help in a specific way but not wishing to be a trustee. Have you ideas for events that you'd be willing to organise on behalf of the trustees perhaps? Would you be able to do the odd bit of maintenance or gardening? Do give me a call, as any and all offers are very welcome.

### **Wine tasting evening**

It's been several years since our last wine tasting evening but we've now booked one for Friday 23<sup>rd</sup> September. Adnams will be introducing and presenting us with six wines for tasting and the hall will be providing nibbles as accompaniment. The cost will be £12 for participants and £2 for those wishing to come along, listen and eat the nibbles but not do the actual wine tasting! Tea/coffee available and bar will also be open for those not joining in the wine tasting experience.

On past experience it should be a well-attended and fun evening. Tickets are available now so please complete the tear-off strip on the accompanying advert and, together with your payment, drop the slip into either John Mangan at 17 Heathfield Road, or me at 2 Heathfield Road or the postbox in the village hall.

## Events

It's great to see more of our neighbours coming along to enjoy the socialising that the hall offers. Regular events are open to all and those for September are shown below. Note that, because of road closure and wine tasting, we've moved Pub Nights to the 3<sup>rd</sup> and the 5<sup>th</sup> Fridays. Do join us if and when you can!

Fri 16 <sup>th</sup>	Pub Night	19:00 – 22:00
Mon 19 <sup>th</sup>	Bingo	14:00 – 16:00
Wed 21 <sup>st</sup>	Coffee Morning	10:00 – 12:00
Fri 23 <sup>rd</sup>	Wine Tasting	18:45 onward
Fri 30 <sup>th</sup>	Macmillan Coffee Morning	10:00 – 12:00
Fri 30 <sup>th</sup>	Pub Night	19:00 – 22:00

## Draw club

This month's winners are 1<sup>st</sup> prize of £23 to Seamus Doran, 2<sup>nd</sup> Alan Taylor £15 and Duncan Henderson the 3<sup>rd</sup> prize of £10. If you would like to join or purchase more entries (at £8 for the remaining draws once you read this), please contact Alan Mason at Cartref, Heathfield Close or on 711357.

# The Parish of Holt with High Kelling

**Rector:** Revd Canon Howard Stoker  
Tel: 01263 712048  
Email: [holtrectory@tiscali.co.uk](mailto:holtrectory@tiscali.co.uk)

**Deputy Churchwarden:** Ann Alborough  
Tel. 01263 712954

## **Services at All Saints:**

Thursday 10.00am Said Eucharist & Sunday 9.15am Said Eucharist

For services at the Parish Church please see the church notice board or visit [www.holtchurch.org](http://www.holtchurch.org)

For Live Streaming search YouTube St Andrew the Apostle, Holt

Dear Friends,

## **Holt & District Community Support Fund (Energy) ~ “Support for local people by local people”**

The rising cost of living, including soaring energy costs, means that inflation - now over 10% - is the highest it has been since the early 1980s, and in real terms the value of incomes is falling. This coming autumn and winter we will see and experience further rises in the cost of energy which will mean that some people in our community may be facing a financial crisis.

Difficult choices between “heat” and “eat” may be a stark reality for some. That is why the Church is taking the lead in establishing a Community Support Fund to help those living in fuel poverty. Working in partnership with others, including North Norfolk District Council, Holt Town Council, Holt Rotary Club, Holt Neighbourhood Housing Association, Holt Community Centre, Holt Methodist Church and others, we are seeking to raise funds, initially for the next two years, to help those in the parish who are struggling financially to pay their energy bills.

The funds will be accessed via the North Norfolk Food Bank (Energy). If you would like to contribute to this fund you will find more information on our website or you can forward a cheque payable to “Holt PCC” marked Community Support Fund, to either myself or the churchwarden. Local people are or will be, facing real financial hardship and I very much hope those in a position to do so will help.

Warmest regards, Fr. Howard

**COFFEE AND CHAT:** Tuesday 13<sup>th</sup> September 10.30am - 12noon at Helen Austin's home: Gorse Cottage, Bernard Close.

Thursday morning coffee and fellowship: Every Thursday at 4 Pineheath Road following the 10am Eucharist at All Saints. 2<sup>nd</sup> Thursday – includes bible study.

**HOME VISITING:** If you would welcome a visit from the parish clergy or a lay member of our pastoral team please contact the Rector, Fr. Howard

+++++

## **Green Village**

### **North Norfolk District Council Net Zero Strategy and Climate Action Plan**

The District Council is committed to achieving a Net Zero emissions target by 2030. This includes improving the energy efficiency of their buildings, installing solar panels at Cromer HQ, decarbonising their vehicle fleet and services, generating renewable energy and supporting staff to work in more energy-efficient ways, including travelling less.

Support for residents includes the Norfolk Warm Homes scheme which provides grants for insulation, installing 30+ electric vehicle charging points, grants of up to £15,000 for green initiatives and the annual Greenbuild festival.

The Net Zero Strategy & Climate Action Plan is available at:

<https://www.north-norfolk.gov.uk/media/7736/net-zero-strategy-document-v8.pdf>

### **Jubilee Trees for Norfolk**

More than 40,000 trees are available at a discount for everyone across Norfolk, thanks to the launch of a new scheme in the county. The Jubilee Trees for Norfolk group are supporting the Queen's Green Canopy whereby people across the UK are invited to 'plant a tree for the Jubilee'.

Half-price tree packs will be available at seven tree collection points, including Norwich (County Hall and Broadland Country Park), Acle, Long Stratton, Watton, Fakenham and King's Lynn.

Applications opened on 30 May 2022 and the packs will be ready for collection in the planting season between December 2022-February 2023.

Cllr Eric Vardy, Cabinet Member for Environment and Waste, said: “Getting involved with Jubilee Trees for Norfolk and supporting the Queen’s Green Canopy initiative is a wonderful way to celebrate Her Majesty’s Platinum Jubilee and to improve the environment in both rural and urban areas.

Information on how to apply is available at:

<https://www.norfolk.gov.uk/news/2022/06/jubilee-trees-for-norfolk-40000-cut-price-trees-up-for-grabs-in-norfolk>

+++++

## Woodland walking in High Kelling

Pass the main noisy trafficked road, turning left going down the path that suddenly quietens towards the woods of High Kelling. The best time to go is very first thing in the morning when the sun has just risen and there is the reprise of occasional early morning mist that hugs the trees, which welcome this small but very helpful moisture. Morse, our Jack Russell, and I take the early morning walk for its coolness and day wake up.

We are greeted with a mixture of birdsong on entering woods; at its loudest the Nuthatches’ clear trills and sharp whistles resonating amongst the broadleaved trees with the buzzard chick calling for its ‘fast food’ delivery from its parents.

August being hot and dry, the woods responding with the dryness and crunching underfoot of discarded early leaf fall, pine-cones, needles and hazel-nuts carpeting the way. Some call this a 'false autumn', the colours of the discarded leaves not that of the full bloom of seasonal autumn with their golds, reds and yellow hues, but instead parched dried and shrivelled. This natural trees' survival habit has engaged far too early so as to cope with this extended heat.

Who would have thought that this 'heat' had its own sound, echoing around and underfoot crackling as you wander through the wooded path edged also with brown leaf bracken and grasses displaying colour change? Too early for wood crickets.

But, still noticing changes as you pass within the woods entering into greener cooler areas within. The woods have little pockets of nature like an ark, protecting as it can their species to survive. The lowering of their branches is also a sign that they are conserving their energy and use of natural resources.

Coolness hits you as you go further amongst the pillar like trunks of the pine trees, becoming part of nature's cathedral, capturing the early morning broken sunlight, nature's stained glass, giving an ethereal quality, with the grasses capturing gold light quality as their seeds move. Interrupted by a quick dart of a deer-spotting, Morse runs off to disappear amongst the bracken and trunks.

On our return to our village, sitting at this wooded edge, the cousins of these trees towering over us reminds us that we are part of this extended mixed woodland, bringing welcome shading within our gardens and nature's visitors within.

Watering our gardens to keep things going, like nature, there have been plants that have not survived well. We have watered from our water butt, but that too dried up, so using what we can from our indoor usage cooled and stored for use late evening and early morning. Changing our planting with little patch of wildflower meadow has given additional support to insects within our wooded village.

Walking amongst our village roads additional water bowls can be seen and used by the wildlife that visits us, also welcomed by Morse before home, as well as rewilding of some gardens buzzing with insects.

We are fortunate to be part of 'nature' that surrounds us.
