

High Kelling Corona Community No 7

It has been another glorious spring week with nature displaying its finest glory and walking, running and cycling have become a joy. Our Village is very special but made even more special by all the gestures of community and friendship that are being shown every day whether the rainbows in windows, flags in gardens and on the Village Hall to the clapping and cheering on Thursday evenings for the NHS. A particular thank you to the efforts of the special contributions that have been posted on the trees along Selbrigg Road which are fabulous and very uplifting.

Words of the Week:

Life is sweet just because of our friends,
 And the things in which we all share:
 Not because of ourselves
 But because of the people who care;
 Its giving and doing for someone else,
 On that all Life's splendours depends,
 And all the joys of this wonderful world
 Are found in the keeping of Friends. Anonymous

Keep Safe; Take Care; Be Kind
